Instructor	Masanobu Nakatsugawa
Unit	Unit 2
Title	Daily Life
Target Sentence Patterns (optional)	
Key Questions / Expressions /	Questions: What do you do/ How often do you...
	Expressions: The frequency adverbs on the textbook; the activities in the textbook (oversleep, stay up late, hang out would be hard for the students)  Some students can answer specific expressions (twice; three times; a week/ a month/ a year) activities, but I'm not sure basic students cannot use them yet.
Special Notes (optional)	In Japanese, to play and to hang out are the same meaning, so the students get confused during the conversation. I've already taught them in Japanese but repetitive instructions would be sufficient.
