(1) Greeting and small talk about weather [5 min]

Samples

How is the weather in Sapporo?

What is the temperature in Sapporo?

Guess how hot it is in Filipins.

(2) Warming up with frequency description [10 min]

This is the activity we have done in the previous lesson. Some students will feel easy with this activity with looking at their notes. Let the students paraphrase the frequency description.

Frequency description:

100% = always = 10 times every 10 days

80% = usually = 8 times every 10 days

70% = often = 7 times every 10 days

30% = sometimes = 3 times every 10 days

10% = occasionally = once every 10 days

5% = hardly ever = 0.5 times every 10 days

0% = never = 0 times every 10 days
