

## Request for FT 1 section (Sasaki)

Class: Tue, 2<sup>nd</sup> period

Tue, 3<sup>rd</sup> period

Fri, 3<sup>rd</sup> period

### 1. Request for 3 classes

Dear teachers

At the end of the very first FT session, please spare the students a few of minutes of your breakout room time on Q&A if possible. They will prepare general questions to ask you for brushing up on their conversation skills. However, if you are running out of breakout room time, please do not bother at all.

Thank you.

### 2. Request for Friday class only

[A request for reasonable accommodation]

Dear teachers

- Please allow one of the students in my class to wear sunglasses for medical reasons.
- There is another student with her medical condition that she becomes unwell when wearing a headset. So she will use earphones. I believe her Apple earphones do not degrade audio quality a lot, but if you find any problems please let me know.

Thanking you always for your support.
